REVIEW OF NAVAL RECORD

Ref: (a) Title 10 U.S.C. 1552

Encl: (1) DD Form 149 dtd 27 Sep 00 w/attachments  
(2) Memo for the Record dtd 20 Nov 00  
(3) BUMED ltr dtd 13 Nov 00 w/enclosures  
(4) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected to reflect one year of entry grade credit for her graduate degree in marriage, family and child psychology, and additional entry grade credit for her residency. Enclosure (2) shows she later amended her application to drop her request for entry grade credit for her graduate degree and specifically request adjusting her lieutenant date of rank to 1 July 1995. Her current date of rank is 19 September 1995.

2. The Board, consisting of Messrs. McCulloch and Rothlein and Ms. Moidel, reviewed Petitioner's allegations of error and injustice on 30 November 2000, and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. In correspondence attached as enclosure (3), the Chief, Bureau of Medicine and Surgery office with cognizance over the subject matter of this case has commented to the effect that Petitioner's request has merit and warrants favorable action. They recommend changing her lieutenant date of rank from 19 September 1995 to 1 July 1995.

**CONCLUSION:**

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (3), the Board finds the existence of an injustice warranting the following corrective action.

**RECOMMENDATION:**

a. That Petitioner's naval record be corrected, where appropriate, to show the date of rank on her commission as a lieutenant, Medical Corps, U. S. Naval Reserve as 1 July 1995, vice 19 September 1995; and that her lineal precedence be adjusted accordingly.

b. That any material or entries inconsistent with the Board's recommendation be corrected, removed or completely expunged from Petitioner's record and that no such entries or material be added to the record in the future.

c. That a copy of this Report of Proceedings be filed at an appropriate location in Petitioner's naval record, and that another copy of this report be returned to this Board, together with any material directed to be removed from Petitioner's record, for retention in a confidential file maintained for such purpose.

4. Pursuant to Section 6(c) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(c)) it is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.

Recorder

  
JONATHAN S. RUSKIN  
Acting Recorder

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)) and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of reference (a), has been approved by the Board on behalf of the Secretary of the Navy.
